Declaration on the Use of Artificial Intelligence

Student name: Dinis Chaves Sousa Marques da Costa

Student number: 109848

I declare that all decisions and technical content that I produced for this project are my own work.

The following AI tools were used to assist in the development of the project and the preparation of the report. If no AI tool was used, write 'None'.

Tools used

Gemini

Purpose and extent of use

The tool was used to help in the research of further information regarding the topic, to correct code written by me and to develop the Jupiter Notebook from the entries of the GitHub repository that was created for this project.

I declare that I fully understand the operation of every component of the project, including those developed with the assistance of the AI tools listed above.
